Hole 5**Johansen Insurance Brokers**

Why use an insurance broker to purchase your insurance?

An insurance broker can save you time, money and worry. Just like an accountant or lawyer who provides you with professional advice, based on years of training and experience, a qualified broker can do the same with your insurance.

Using an insurance broker often costs less because brokers have in depth knowledge of the insurance market and the ability to negotiate on your behalf.

Whether it's business or personal insurance, brokers provide advice and assistance to make sure you are properly protected.
