

Medal Day Eclectic Competition 2021

From The Captain

In 2021 starting in February the men's Monthly Medal day sees the introduction of a new, year-long event - the Medal Day Eclectic.

This event will be played on all MM days in 2021. Men will be automatically entered whenever they first enter a MM.

Your 2021 eclectic score will be the lowest score achieved at each of the 18 holes across the year. After the final round, half of your handicap that day is deducted from your yearly total. There are 11 MM days remaining in 2021; to be eligible to win you must play on at least six MM days. You do not need to keep track of your 'best scores' - our computer scoring system will do it automatically.

The Medal Day Eclectic is sponsored by IntaGolf Bendigo. Thanks to Stu McGibbon for arranging their sponsorship.

Happy golfing.
