SUNDAY PENNANT SEASON – 2024 EXPRESSION OF INTEREST

Pennant is not only a chance to showcase the skill and competitiveness of the men and women of our club, but also a great opportunity to hone your skills in 'match-play'. Providing you with great experience that maybe one day will help you get your name up on the clubs honours board in one of our many Gold & Silver Letter events.

The Sunday Pennant competition is run by Golf Central Vic and consists of five (5) matches over 18-holes of match-play rules. This year the season is starting earlier with the first rounds in early February and concluding in mid-March. Sunday Pennant competitions are open to all our members (Male & Female)

We are looking for members to let us know of your interest in playing and we hope to be able to form teams of seven to eight players (allowing for those people who may not be available for all 5 rounds). It is not necessary to be available for all five rounds (but that would be lovely 😊).

If you are interested in playing, please register by **7th December** with Rod Jacobs (email - talltails1929@gmail.com or phone/text message **0408521869**).

Sunday Pennant dates (8AM Starts for this season) are Feb 4th, 11th, 18th, 25th & Mar 17th. The finals (lets hope we are in them 😊) will be played on 24th March.

Thanks everyone.
