

AXEDALE GOLF CLUB

SUNDAY PENNANT SEASON – 2023 EXPRESSION OF INTEREST

Pennant is not only a chance to showcase the skill and competitiveness of the best men and women golfers in our club, but also a great opportunity to display the demeanor, integrity, sportsmanship & all-round character of the Axedale Golf Club and its members.

The Pennant competition is run by Golf Central Vic and consists of five (5) matches over 18-holes of match-play rules. Played on Sundays, it is contested from late March and throughout April, with a final ('top two' finishing teams of each division) being played in May. The Pennant's competition is open to all our members (Male & Female) and in the past the divisions have been.

Division 1: Scratch

Division 2: handicaps 5 – 9

Division 3: handicaps 10 – 15

and Open Division: play to handicaps (giving or receiving shots)

This is a fantastic opportunity to have strong teams and to see our club shine in this event. We are looking at entering 4 to 5 teams of eight players. We are looking for Men & Ladies who wish to play. You would not necessarily need to be available for all five rounds – as we endeavour to have eight players in each team. The Sunday pennant has been open to female golfers for the last couple of seasons and it was great to have four ladies play in teams last year. Traditionally, the Ladies Pennant season is played on Mondays, so the Sunday pennant is an opportunity for those Ladies who may work or have other commitments on a Monday to still be able to play Match Play golf.

If you are interested in playing, please register by **15th February** either via email (to rodney.jacobs@vline.com.au), or via text message (to 0408521869). Please send me your name, email address, phone number and Golflink number.

For the Monday 2023 Ladies Pennant season please register your interest with Sue O'Connor either via email sueoc53@hotmail.com or phone/text 0409705392.

For those who do not wish to play pennant but would like to help out at the club – when Axedale host a pennant round (once or twice a pennant season), please let me know as any assistance is greatly appreciated.

Thanks everyone

Rod Jacobs
